Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Sunday 21 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Feeling colder on Sunday with sunny spells and showers.

Today:
Brisk winds, sunny spells and occasional showers, wintry across highest hills. Isolated hail possible. Strongest winds near coasts with risk of morning gales at first. Feeling colder than recently. Winds easing inland during the evening. Maximum temperature 7 deg C (45 deg F).

Tonight:
A cold night, with showers mostly becoming confined to coastal areas, with longest clear spells likely inland with a frost after midnight. Minimum temperature 1 deg C (34 deg F).

Monday:
Monday will be a cold day and mostly sunny with morning showers near coasts dying out by afternoon. Winds easing light. Maximum temperature 8 deg C (46 deg F).

Outlook for Tuesday to Thursday:
Bright start on Tuesday before turning mostly cloudy, with a chance of light rain by Wednesday. Probably brightening up during Thursday with showers and freshening winds likely. Temperatures near normal.
